FOR IMMEDIATE RELEASE

Phillips Plastics' Philanthropy Donates \$36,600 to Community Organizations.

Eau Claire, WI – Phillips Plastics Corporation's AnnMarie Foundation recently donated over \$36,600 in the second quarter to schools and organizations within communities in which Phillips Plastics facilities reside.

The AnnMarie Foundation provides monetary awards to local organizations to enhance quality of life and encourage future educational, humanitarian, cultural, recreational, and aesthetic activities. Since inception in 1974, the AnnMarie Foundation has donated \$5.7 million to various clubs, councils, daycare centers, fire departments, medical clinics, schools and school districts, and youth sports teams within communities in which Phillips Plastics facilities reside.

About Phillips Plastics

Phillips Plastics Corporation is a high-tech contract manufacturer and custom injection molder of plastic and metal with annual sales of over \$250 million. The Company employs 1,300 people in 14 locations throughout the United States, including design centers in Wisconsin and California, and a medical campus with 176,000 square feet of FDA registered facilities dedicated to high volume medical and clean room manufacturing. The company's medical operations are cGMP compliant and registered to 21 CFR parts 820, 210, and 211. Phillips Plastics provides complete services from concept design, rapid prototyping, and tooling through production, assembly, packaging and distribution to virtually every market.
